Dear Hiring Manager,

I am writing to express my interest in the internship opportunity at ITGenius, as advertised on the MMCM-OCP website. As a Computer Science student at Mapua Malayan Colleges Mindanao, I am eager to apply my academic knowledge in a practical setting and gain valuable hands-on experience. I am particularly interested in Technical Support where I can utilize my skills to support the organization while further sharpening my capabilities in the field of computer science.

ITGenius appeals to me due to its outstanding reputation and high reviews coming from multiple client testimonials, with praises such as how quick the responses are and produce amazing results, all the way to having loyal clients that uses ITGenius for ten years. The founder, Peter Moriarty, is highly engaged with the community, offering clear and concise summary updates on Google Workspace and hosting Q&A sessions. His commitment and effective communication significantly enhanced my attraction to the company. I am enthusiastic about the prospect of contributing to such a distinguished company and advancing my professional development.

Throughout my coursework, I acquired strong skills in research, communication, hardware and software performance evaluation, Python and C# programming which I believe will benefit your organization. I look forward to discussing how my background and passion for technology align with the needs of ITGenius. Thank you for considering my application; I am available for an interview at your earliest convenience and can be reached via email at jpAbid@mcm.edu.ph or jamespaulnigatabid@gmail.com or to my phone number at +63 9612131515.
